Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor

In response to the recent survey and public meeting regarding monies received from Tesco for the sale of Village land, the Parish Council is currently looking at the various suggestions put forward.

Aspects, such as planning permission, access, cost, possible usage etc., are being examined.

In the letter in the March edition of the Bar Hill News Lisa Martin raised two very important points – the Farmhouse Youth Drop-In Centre and a Skateboard/BMX ramp.

As we all know, the Farmhouse Drop-In Centre is funded directly by the County Council and has had, or is in the process of having, a reorganisation of its Community budgets and 'Patches'.

Reorganisation in Local Authorities often means lower services. The Farmhouse Youth Drop-in Centre is no exception. Already there has been a reduction in the opening hours. County Councillor John Reynolds, 4 Hollytrees, representing Bar Hill is the person to contact regarding these cuts.

A group of Parish Councillors, led by Harry Welburn, together with the Clerk, Sue Jenkins, Lorraine Silk and myself are working with Toby Gresswell and other Youth representatives looking at the Skateboard/BMX ramp requirements, which will require planning permission from South Cambridgeshire District Council.

Several contractors have been contacted with a view to starting this project, with completion, hopefully, by the summer holidays.

The Parish Council Environment Committee is looking at footpaths, hedgerows, trees and green spaces to ensure major improvements.

Finally I would like to reassure H. R. Morris that the Village Green is not being sold off, nor has any part of it been sold. Some of the car park in front of the School is temporary and will be reinstated as a grassed area towards the end of the Tesco Development.

Yours faithfully
Michael Boughton-Fox

Dear Editor

I don't often write to magazines or newspapers but, having read the letter by H. R. Morris, I just wanted to say I couldn't agree more with the sentiments mentioned.

I have lived in Bar Hill now for 11 years and have become dismayed at the vandalism that is going on (I'm talking about the Tesco so called 'redevelopment').

Surely if anyone wanted all this they would have moved to the Queensgate in Peterborough or Grafton in Cambridge.

What really annoys me is that ordinary people (residents) had no choice. Surely in a so called 'democratic society' we should have all had a vote if we wanted the Tesco 're-development' or not. Instead the decision was left to 'fat-cats' and the like, having almost no thought for the people having to endure this building and noise.

What's next in the next 20 years, another Tesco 'redevelopment'? When will it stop? It's beyond a joke! The only peaceful place left will be on the moon!

Yours faithfully, David Horwood

Dear Editor,

How lovely to see the display of daffodils at the entrance to each road in our Village and around the Village sign. Our thanks must go to the Brownies, Guides and their leaders for the hard work they put in last year to plant the bulbs. These golden flowers bring a smile to the Village and should be appreciated by everyone.

Thank you all from Ruby and Sid

Dear Editor,

I could not agree more with the letter you received from H.R. Morris in your March edition of the Bar Hill News.

Coming home from work one evening, I got off the bus, walked through the Mall, and to my horror those wonderful trees which were mentioned had gone. As I walked further on just by the grass verge on the opposite side, I saw a Blackbird perched on a mound of rubble looking across as if in horror too.

After all his hard work to get his territory - build his nest - meet his mate - planning for a family in the spring - was just completely destroyed. I know this may sound daft, but 1 could see how distressed he was and felt really sorry for him.

As I got to my home and put the key in the door, I felt how lucky I was, that a bunch of hard hatted Blackbirds had not been given orders to destroy my home and the street that it's in.

Bar Hill is a lovely village, it seems to care, but what about the creatures and birds' homes we have destroyed, for the sake of a bigger shopping area - car parks - etc. Is anything going to be done? - I do hope so.

Yours sincerely, J. Barrett.

Dear Editor,

I have been in contact with Mrs. Whyte, headteacher at Bar Hill school, as my wife and I are fed up with our children coming home from school covered in mud.

Mrs. Whyte has said that work can be carried out on the playground (where the boats used to be) but volunteers are needed to dig over the area and lay slabs. This should reduce the muddy areas where the children play.

If anyone can spare the time to help us out, or knows someone that could (even one hour will be helpful), we would be very grateful and urge you to contact Mrs. Whyte or myself.

Redevelopment Update

The first phase of the Tesco re-development has now been completed with the opening of the first car park on the old Garden Centre.

Work has now started to develop the second car park, which should be finished hopefully at the beginning of May.

Temporary parent/toddler and disabled parking areas are provided within the new car park arrangement until the two developments join and these sites will be clearly marked out.

After consultation with both the School and parents of the children, we have agreed to erect a fence along the perimeter of the mound, near to the School. This, together with the hedgerows that are being planted, should act as the perfect boundary between our car park and the public footpath. We have also added an access between the car park and the School entrance to assist parents who are dropping off schoolchildren.

Unfortunately we are still experiencing vandalism with an attempt to uproot some of the new trees and landscaping. If we could ask you to help us by informing the store if you know of any information regarding this senseless behaviour, we would be most grateful.

This month will see work around the new bus stop, the start of work on the new public house and the initial stages of the new store.

We have strived to keep disturbances to a minimum but would like to apologise on behalf of the contractors for the two occasions when the water supply was cut off to certain areas of the Village. We sincerely hope that we will not ask you to experience this again, Throughout the work your response and tolerance has been superb and we fully appreciate this and would like to say a big thank you for all your support and continued custom during the redevelopment.

Life in the country

I've walked these fields for some time now
And seen the seasons come and go.
Hot and dry with summer sun
Cold and wet with snow

I know in which ditch the heron will stand
Waiting for a meal to come by
Be it fish, frog or eel
When sated away he'll fly

I used to know where the otter could be found
Used to stand watching him play
But he's gone now thanks to pesticide
I hope he'll come back one day

I can smell where the dog fox paused this way
Sometime in the night
He's gone now back to his den and mate
Before it gets too light

The badger and fox have been looking for worms
Tracks have been left by their paws
If you're not sure which is which
The badger's got the longer claws

In the sky the black clouds are coming
Not sure if it's snow or rain
But it's time to pull up my collar
And head for home again

The months move on. It's getting warmer
More birds are on the wing
Buds burst open on the bushes
It seems like this is Spring

When summer arrives with its halcyon days
And you can relax in the shade of a tree
Taking in the beauty that surrounds you
Your mind is peaceful and free.

The Fish & Chip Supper evening held in March was enjoyed by 16 of our members. Thanks go to Ann and Mike Duce for being the hosts and all members who helped in the organisation of the food and Social that followed.

April Wildlife Snippets

Rescuing Ratty

Once a common waterside resident, the water vole is now one listed as one of most rapidly declining mammals. Ratty, from 'Wind in the Willows' is a water vole though many, without thinking, would mistakenly declare him a rat.

The water vole (*Arvicola terrestris*) is the largest British vole and they measure between 25 - 35 cm from head to tail-tip. They live at the water's edge in dense vegetation along canals, ditches and streams. Spending eight hours of every day patrolling the riverbank outside their burrows, they consume over three times their body weight in food, any vegetation they can find.

April is a good month to spot a water vole along the riverbank as the weather gets warmer although they do not hibernate but are not so active and therefore less likely to be seen in winter.

Their decline has been caused by destruction of their habitat, disturbance and river pollution. One of its biggest predators is the non-native American mink, together with weasel, stoat, otter, fox, barn owl, heron and pike.

The Wildlife Trust needs to find out more about the distribution of water voles in your local area. If you would like to help by becoming a water vole warden and supply The Wildlife Trust with useful information, then please get in touch on **01223 712400**.

Why not help protect local wildlife and become a member of The Wildlife Trust.

Policing Bar Hill

For the period 15/02/00 to 15/03/00 there have been 4 burglaries in the Village.

On 8th/9th March Appletrees and Acorn Avenue had properties entered at night. In one the rear door was left unlocked and in the other keys in the rear door were knocked out and picked up through the cat flap. Property from these was found nearby suggesting someone walking around the footpaths and looking for easy or relatively insecure targets.

On the 2nd March, midday, 2 houses in Almond Grove had doors forced open and property stolen. Witnesses describe two white males in their teens, one male 6 foot tall, slim build, wearing a dark baseball cap and a cream/beige fleece top. The second male was about 5'3", slim to medium build, wearing a navy blue waistlength jacket with collar, and jeans.

On 18th February garages were forced open in Appletrees, Spinney and Pheasant Rise but nothing stolen

Finally a couple of older cars have had damage overnight. Do consider fitting an alarm or similar and parking in well lit areas

There have been a number of burglaries in the Village since the beginning of March, that have been, to say the least, very disconcerting.

I watched a TV programme screened on Thu. 9th Mar which I found both interesting and horrifying. Crime figures suggest that a burglary happens somewhere in the UK every 33 seconds. One of the main invitations being windows left open - just a tiny bit is enough.

Many of the most distressing cases are distraction burglaries involving old and vulnerable people.

It is important to have strong locks and probably a chain on the door.

Never let anyone into your home unless they are there by appointment, and you are completely satisfied that they are who they say they are. It is far better to make a phone call and check, than to let someone in who may rob you.

Other points made by the TV programme were:-

* Many millions of pounds were paid out by insurance companies last year.
* Government statistics predict an increase of 25% in burglaries in the next 4 years.
* There is an increase in young men aged between 16 and 24, and this category are most likely to turn to crime. We used to be told to 'lock up our daughters', maybe now we should be keeping a very close watch on our sons!
* People think 'it won't happen to me'. Wrong. Sadly it often does.

Food for thought

Burglary, apart from loss of property, is a violation of privacy. It causes a great deal of distress to the victims, particularly if the items are of sentimental value.

Please keep your eyes and ears open and DO TELEPHONE THE POLICE (or me if you would be happier doing this) if you see or hear anything at all suspicious. Of course should you see anyone trying to break into a building DIAL 999 IMMEDIATELY

Pre-School Playgroup

We would like to welcome you to The Bar Hill Pre-School Playgroup.

We are located in the Village Hall Centre on the Village Green and can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our successful playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms.** This provides the educational setting required by OFSTED. All our sessions are run by our team of trained, experienced playleaders - Heather, Jenny and Gill.

Session times:-

Mon, Wed & Thu.	9.15 - 11.45 am
Tue. 'Playtots'	9.30 - 11.00 am
Tue.	12.30 - 3.00 pm
Fri. 'Rising Fives'	9.15 - 12.45 am

Information

Did you know that at our Playgroup we use a vast amount of equipment ? This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and too many puzzles and games to mention!

Each session has a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information Technology through a series of topics which incorporates the use of all the equipment.

If you would like to call in and see what we offer please do. The staff will be happy to see you. Our recent OFSTED inspection report, which was excellent, is held at Playgroup and we would be glad to show it to you.

Playtots

Good news parents! We've changed the age limit so that your child only needs to be **one year old** to come and join in the fun (the upper limit is now 2½ year olds). This session offers the ideal opportunity to set the 'feel' for playgroup life (interaction with peers, discovering the wonders of one's surroundings, the joy of playing, etc.) However there is a catch for the grown-ups - it's a 'Pay as they play' morning!

Please come and see us, our staff would love to see you and are always willing and able to give advice.

Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week.** Please ring Julie Jolley **780445** for more information.

Places

For places ring Julie Jolley **780445.** Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Subsidised places

We are happy to offer subsidised places to parents on Income Support or Family Credit. Any such request will go before the committee together with supporting documentation supplied by the applicant and will be dealt with on an individual basis.

Please note that we also offer discounts if your child attends more than 4 sessions per week.

Only one discount/subsidy will be allowed per child. Please call our administrator, Julie Jolley, on **780445** for more information.

Webb Ivory catalogue

Our new Webb Ivory catalogue is now available at Playgroup. Please feel free to have a look through. The catalogue has great gifts for Easter.

Jumble Sale

I would like to thank all staff, committee members and friends of Playgroup who helped at our recent fundraising Jumble Sale.

Little Acorns

Little Acorns is a privately run pre-school, where children are treated as valuable individuals and encouraged to participate in a wide variety of planned educational activities in a friendly, sociable environment. There are 3 qualified members of staff at each session.

Children are now welcome from age 2½ years. We would like to make places at Little Acorns available to all children who require them, so if you would find it difficult financially, please telephone us and we will try to work something out! Please note that we are now reserving places for 2001/2002, so you do need to register your child early to avoid disappointment!

Our sessions are held in the Church Centre on a Tue. morning and Wed., Thu. and Fri. afternoons. We also have sessions in the School Studio on Mon. and Wed. mornings. (Mon. - children due to start school, Wed. - open to all ages)

We have a system of record keeping, enabling us to monitor each child's progress throughout the year. Each child is also allocated a 'key-worker', a member of staff who specifically monitors the children in their group. Several parent consultation evenings are provided throughout the year, ensuring that parents are kept up to date with their child's progress. We are also available at home to receive calls from parents wishing to discuss anything at any time.

Each child works through a series of workbooks and is able to take reading or workbooks home at the end of each session to share at home with the family.

There is a copy of our OFSTED nursery inspection report available to anyone on request.

From the term after their 4th birthday children are entitled to 5 free sessions per week under the Nursery Grant Scheme.

If you would like to find out more about the wide range of activities we offer or would like to arrange a visit please telephone us at any time. We would love to meet you and your child. Alternatively, registration forms are available in the Toddlers room or the Library.

Sports & Social Club

Firstly, I have the sad task of reporting the death of Tom Stephenson on 3rd March, exactly two years to the day his wife, Sally, died. Tom's funeral was held on Friday 10th March at St. Faith's Crematorium in Norwich.

Tom was a founder member of the Social Club, Chairman from 1978 – 1981 and between 1982 to 1985 held posts of Secretary, Treasurer and Committee Member. He was at his best when we were in trouble as, financially, we often were, and his determination to, as is the phrase today 'sort it'. There was only one way to "sort it" and that was Tom's way. The Club will always owe Tom and his ever supportive wife Sally, a huge debt and as Tom requested on his death, donations be sent to the Sheringham Royal British Legion Welfare Fund, the Club has donated £500. Our condolences go to all of his family.

They often say when one is taken from us another arrives. Well we have done better, we have two new arrivals; our congratulations go to Karen and Kristen on the birth of Jade and to Karen and Ashley on the birth of their Baby Jessica, a sister for Jacob.

If you have noticed how quiet the Club has been recently, particularly weekends, well I can explain. Fred Styles has been in hospital having his knee repaired. So, make the most of it because he will soon be out and about – only he'll be quicker. We all wish Fred a speedy (no pun) recovery and all miss him.

In last month's article I criticised the Cricket Club Race Night as being 'too greedy'. This brought on a barrage of complaints from the Cricket Club and I accept, perhaps I was too hasty, but I still think the points raised were valid for the benefit of future Race Nights. Hopefully we have both learned.

By the time you read this you will have elected a new set of Officers and Committee and I hope you all give them as much support as you did the last.

Forthcoming Events:

21st Apr. Sleep Tight (Duo)
23rd Apr. St. George's Day – cheap gin, guest ale and roast beef rolls. Open all day.
5th May Mike Young as Elvis with Eve Young
13th May Golf Society Race Night
19th May Terri Connelly

Trips on:

6th May Newmarket Races (1000 Guinea Meeting and opening of the new Stand)
6-8 Oct. Trip to Dublin

For all of these events please read the various Club notice boards.

Finally

Did you read the article in last month's Bar Hill News from my old mate Jimmy James? I am sure everyone reads Jimmy's newsletter on behalf of 'Happy Hours', but I thought how appropriate his poem was to the Social Club. It was entitled 'Do you just belong?' Have another read. My point is that the Social Club is yours. You are the Members. If you are not satisfied, or have fresh ideas, let your new Committee know and I am sure they will try and do something about it for you.

By the way, once again, the AGM confirmed no changes to Membership Fees i.e. £3 per adult (on sale from 1st August and rising to £5 from 1st October) and £1 for Senior Citizens all year. Sorry there are no part-year memberships.

Table Tennis Club

Bar Hill Table Tennis Club continues to meet every Tuesday during school term time. We meet from 8.00 pm to 10.00 pm in the main hall at the School. We are a small, friendly club which does not play in a league but offers a relaxed atmosphere in which to enjoy the game. We cater for a wide variety of standards and provide all equipment - all you need is a pair of plimsolls or similar.

So, if you used to play, or if you would like to start, and want some gentle (or not so gentle) exercise, why not come along on a Tuesday evening? If you would like more information, please call Peter Bowers on **781977**.

Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our newly created garden now has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading and writing skills.

Then, after the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item that they have brought with them or a subject that interests them.

In the second half of the session the children are given opportunities to participate in activities that concentrate on the development of numeracy, literacy and social skills.

Note that the term after your child's 4th birthday he/she is entitled to 5 sessions a week FREE. We now accept children from the age of 2½ years (providing they are toilet trained).

Sunbeams

Sunbeams is our new Toddler session - led by our Pre-School playleader Jo on a Thu. - (1 to 3pm). Each session consists of painting, playing with sand and a large choice of other activities. After a break for milk and fruit, the children play outside (weather permitting) in our fenced off garden, where there is a wide variety of attractive features to play with. The session is then drawn to a close with a singsong.

(The recycled youth club)

By the time you receive this copy of the BHN we will have had the Spring equinox, the clocks will have gone forward and Fred Styles will be back amongst us again! Fred has had that operation on his knee and you will soon appreciate how quickly he is now getting around. It has been suggested that we get some of his horses from Newmarket to go into Addenbrookes to speed them up a trifle! Good punting Fred!

Other than recent absence from Happy Hours I cannot recall any other missing faces. Generally most of our members seem to be coping with life.

Our sincerest best wishes and thoughts go to Olive Barber who is going into Addenbrookes for tests shortly. Poor Barbara has certainly had a few problems over the past few months. Well lets hope her holiday with us in Bournemouth will put her back on her feet!

It would appear that in my last edition of the BHN I made a few typing errors. Names were spelt wrongly and totally incorrect. Sorry. I know I do at time joke about things and say things I shouldn't, but that's me – anything for a laugh. Again please accept my apologies.

Poem

Do not stand at my grave and weep
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glints of snow
I am the sunlight of ripened grain
I am the autumn rain
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds of circled flight
I am the soft starts that shine at night
Do not stand at my grave and cry
I am not there. I did not die.

Dial a ride

We have been approached to enquire whether we have anyone in the Village who may need their service to transport them into Cambridge or thereabouts. This applies to people that cannot manage the bus. NB, this doesn't include Addenbrookes as the hospital has its own car service. Please ring us if you are interested **201127**.

Outings

Phyllis and Helen Collins have now taken over our coach trips. Our first one in May is still to be arranged.

Holidays

22nd to 26th May - Bournemouth.

If there is senior citizens in the Village who would like to join us you would be most welcome. Please give Phyllis a ring **201127**.

Pianist

Is there a pianist in the Village that can spare us an hour per week in the winter for the Happy Hour's choir ?

Easter holidays

Just a small reminder that Happy Hours will be closed on Monday 24th April and also 1st May, being a bank holiday.

We wish you all a happy Easter.

Shed Security

Many of us have taken steps to improve the security of our home, but often sheds, garages and outbuildings are neglected.

Here are 10 Top tips on keeping your shed secure ....

1. Ensure your shed is of sturdy construction and in a good state of repair.
2. Add metal grilles to windows, using non-returnable screws to secure the grilles in place, and consider adding net curtain to prevent an intruder viewing the contents of the shed.
3. Secure the door with two substantial padlocks, hasps and staples at equal spacing, fixed with coach bolts. Use backing plates to re-enforce the wooden area around the locks.
4. Bolt, rather than screw hinges onto the door frame.
5. Explore the possibility of installing an alarm system. There are various types on the market which would be suitable for a shed - a reputable alarm company would be happy to advise you.
6. Install outside security lighting.
7. Property mark garden equipment such as lawn mowers and power tools. This makes stolen property easier to trace and it can be positively identified as yours.
8. Personalising tools and equipment with paint will make them less appealing to thieves.
9. Ensure that all tools and garden equipment are locked out of sight, and preferably chained to a surface/secured in a storage unit, within the shed.
10. Check that your household insurance policy covers theft from your garden and outbuildings.

Professional Dry Cleaners

TO THE RESIDENTS OF BAR HILL

As you will probably now know, Eunice & myself have retired from our business at 1b The Mall,the shop now taken over by Johnsons Dry Cleaners.

We started our cleaning business over 15 years ago from scratch and with the help of all our customers and friends in and around Bar Hill we built a business that was able to give us our living and also give the people of Bar Hill a much needed service.

We tried very hard to give of our best in quality and service, and hope we achieved this, a lot of our customers have become friends over the years, and together we have watched Bar Hill grow into a modern large village, we felt we were part of that growth.

A big thanks to all who used our shop ,without you our business would not have survived we wish you all well for the future, and if you see us around please say hello.

Once again thanks for your custom, and sometimes your patience, its been a pleasure meeting you all.

Yours most Sincerely, Eunice & Jim Grant
